Sir:

INFORMATION DISCLOSURE STATEMENT

Transmitted herewith is a list on Form PTO-1449 of patents, publications, or other information submitted by the applicants for consideration by the Office pursuant to the duty of disclosure under 37 CFR 1.56, together with legible copies of each of the foreign patent documents and the non-patent literature to the extent clean copies are available.

With respect to the foreign patent documents, all of these include an English translation of the abstract; however, the remainder of the written portion of many of these documents is in a non-English language. These documents were the product of a third party patent search and are included herein as such; however, applicants have no further insight into the relevance of these documents other than what is disclosed in the English abstract and the figures.

It is respectfully submitted that the present invention as claimed is patentable over the listed references.

Any fee which might be due in connection with this Disclosure Statement should be applied against our Deposit Account No. 19-0522.

Respectfully submitted,

HOVEY WILLIAMS LLP
